

The Grundfos WaterPRO Program is exclusively for Groundwater Dealers located in Canada. Dealers who are not currently enrolled in the Program must apply through their local Grundfos District Sales Manager. To qualify for the 2017 Program, all dealers (current and new) must purchase at least ten complete submersible pumps during the 2017 calendar year. Note: Submitting an application for the program does not guarantee acceptance.

Qualifying Products

- A) 4" SP Submersible pump, MS4 motor (up to 5 HP) and SA-SPM6 control box
- B) 3" SQE Constant pressure system including pump, motor, CU301 controller, transducer and 2 gallon SS tank
- C) CU331SP drive

If you would like to apply to become part of the Grundfos 2017 Grundfos WaterPRO Program, please contact your local Grundfos District Sales Manager:
